"Oooo, I'll bring my lunch next time."

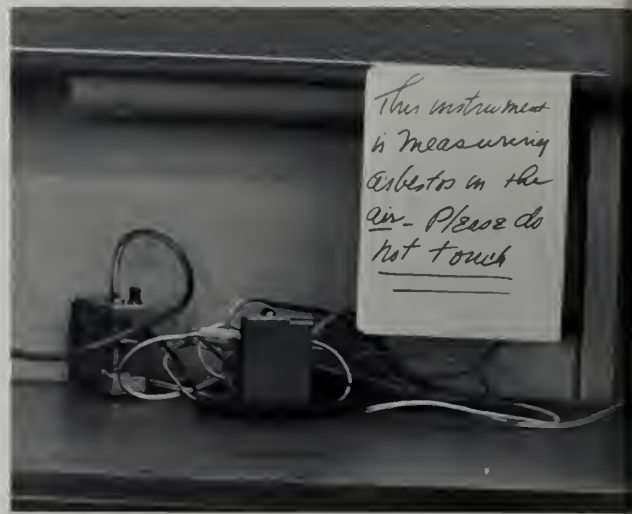

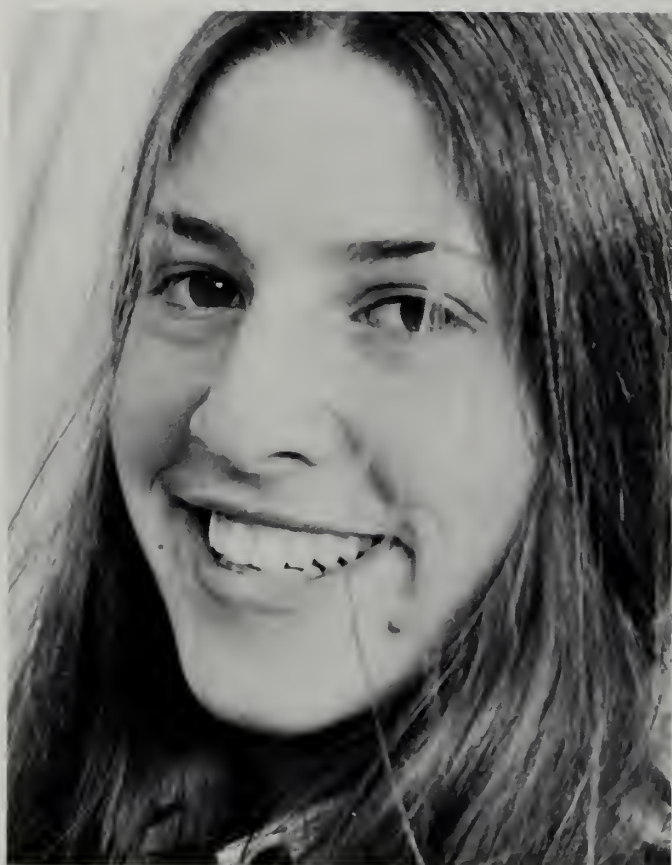

CLUBS

Sr Class Committee

The Senior Class Committee of 1975-1976 proved to be an active and productive group. Led by Senior Class President, David Silk; Vice President, Richard Siltan; Class Secretary, Anne Guiney; Treasurer, Charlie Bianci; and Senior Class Advisor, Tom DePeter, the Senior Class Committee attracted a diverse membership.

Senior Class Get-Togethers highlighted the many dances held in the cafeteria throughout the year. In the fall, the Senior Class sponsored such events as Apple Picking Day, the Motorcade, Soccer Day, and the Halloween Costume Contest.

With the winter came the Senior Class breakfast and the Class dinner. Skating parties, a square dance, and of course, the Prom at the Chateau De Ville were also products of the 1975-1976 Senior Class Committee.

The A.F.S. Club serves to place high school students in foreign countries for an academic year. This year, two students, Norman Gaudet and Richard Jaffe are living in France and Belgium, respectively. The club also sponsors foreign students in America. This year Senior Pilar Gomez de la Vega from Spain is living in Newton while attending NNHS.

A.F.S.

Ski Club

The winter of 1975-76 was another great one for the Ski Club. Everyone enjoyed the trips, as they featured high spirits and low prices. The season was highlighted by the annual trip to Europe which, this year, was to the Austrian Alps. Also featured were days at Sunapee, Sugarloaf, and weekends at Mt. Snow, Hogback and Haystack.

The club's officers were President Karen Salem, Vice President Aline Sammut, Treasurer Jon Norris and Registration Chairman Randy Gilboard. Stuart Rist was the faculty advisor.

Math Team

This year's math team consisted of thirteen able and competitive math students who participated in five interscholastic meets during the year. With their two advisors, Jim Schreider and Ellen Raphael, the team, which is a part of the Greater Boston Math league, traveled to various schools in the Boston area for competition with ten other math teams. The league consisted of teams from forty four schools, and Newton North finished second in their first meet and continued to do well throughout the year. Each member participated and contributed to the team.

War Games

Contrary to popular belief, the War Games Club did not engage in combat each week on the football field. It was, however, one of the most original and unique clubs at Newton North. The club attracted a small but faithful group that assembled to play exciting games of strategy and mental agility.

Biology Club

All sections of the Biology club spent an active year. The organization provided a helpful training ground for the future biologists of NNHS.

The Marine Biology section, led by Mr. Harold Wiper, busied itself in many areas of marine science. Various projects included dissection of fish, work of the "Save the Whale" petition, developing and maintaining a marine aquarium, arranging for guest speakers, and many field trips.

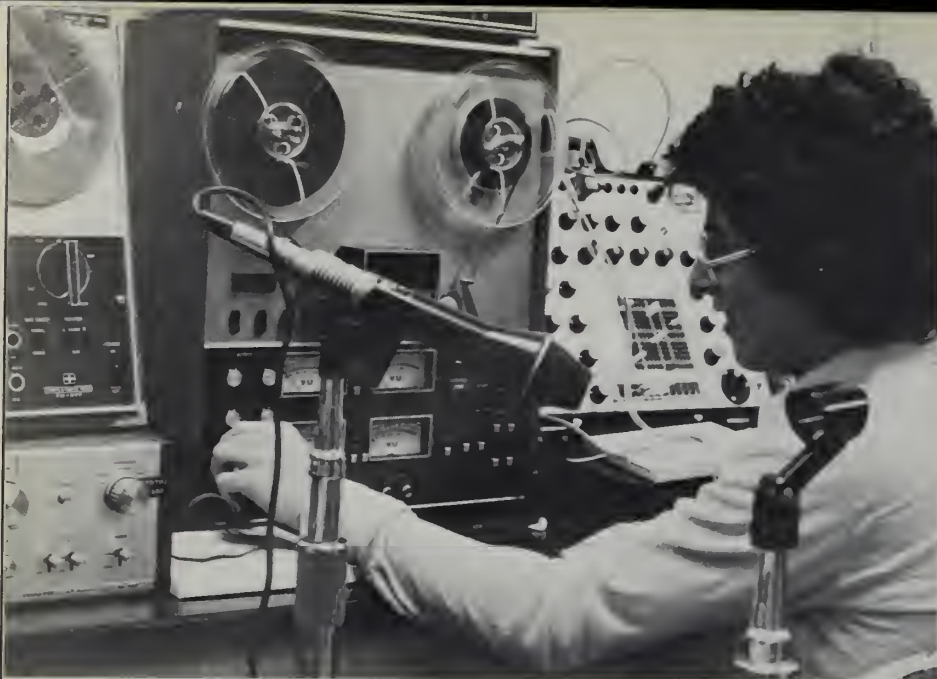

The Natural Sciences section, also directed by Mr. Wiper, studied the development and maintaining of animal and fish aquaria.

The Greenhouse section thrived under

the direction of Mrs. Gretchen Ainley, and Ms. June Namias. The group cared for the multitude of beautiful plants growing in the school's greenhouse. Members learned how to propagate new plants. A major project was the healing, and in turn, selling of sick plants.

The Premedical section was led by Ms. Margaret Moffett. The club attracted many students interested in pursuing the study of medicine. One goal of this year's group was to merge with the local Explorers Medical Post for various projects. The Premedical section visited several local hospitals in order to experience the many aspects and problems of modern medicine.

Media Productions

Have you ever wondered what is in the back of the library besides the stacks? It is the Media Center. This all-important department provides many services for the school. It satisfies the demands of both teachers and students who need projectors, cameras, and other materials for instructional uses.

The center is run by Mr. Connolly and Ms. Goldman. They are in charge of training thirty-five to forty students who operate the audio-visual equipment. These students run the receiver for the wireless headsets, process film and help to video-tape musicals. With the aid of these machines, gym students are able to recognize and correct their faults, from the gymnastics floor, to the tennis courts.

Black Student Union

The Black Student Union is the only organization in NNHS designed specifically for black students. The "B.S.U. room" is open all day for black students to use in study or socializing.

There is no structured membership in the B.S.U. All black students are welcome to attend meetings and use the room. Every September, a new council is elected. This year's council includes: Kim Burns — secretary, Kim Abrams — treasurer, Patty Hunter — asst. treasurer, Linda Silver — Adams House Rep., and Sharon Taylor — Beals House Rep. Miss Morrell and Mrs. Dover serve as faculty advisors.

Some of the original programs that the Union has tried to implement include: Soul Food dinners, Black films, and guest speakers. B.S.U. member Sharon Taylor summed up the Union's goals: "What we try to do is organize ourselves as the Black Student Union, so we can gain more recognition within the school."

S.F.A.

Students Doug Jessup, Howard Silverstein, Donna Terranova, Doug Jasset, Jim Acheson, Steve Weingarten, (alternative) were the elected members of the 1975-1976 Student Faculty Administration Board. Faculty members were Mrs. Carol Horgan, John Amoroso, Scott Guild, Norman Gaudet, and Robert DeLuio. Jon Finn was elected student co-chairman and Libby Resnick as faculty co-chairman. Principal Richard Mechem served as a honorary SFA member. Ellen Katzeff was secretary.

The SFA proved to be an active and initiative force. They dealt quickly and efficiently with the issues that faced them. A higher degree of student participation highlighted the SFA meetings in the library every Wednesday morning.

The SFA members broke into sub-committees and looked carefully into issues before revisions or amendments were made. One of the main issues of the year was Open Campus. Members worked diligently to improve the Open Campus program while abating vandalism. Other important issues included the discipline problem and the library situation. Working with the housemasters, the SFA strove to devise a uniform discipline code among the houses. They also worked at keeping the library open more for student use.

Throughout the school year the 1975-1976 Student-Faculty Administration Board distinguished itself as an exciting and productive committee with a keen awareness of student and faculty needs.

Language Clubs

When you see those delicious French pastries being sold on Main Street, you know the French Club is preparing for one of their fantastic trips. This year the fund raising efforts were geared toward their annual trip to Quebec and a day in New York City where they saw the musical *Candide*. The group had a lot of spirit and was not bogged down in boring X-block meetings. More and more they have become a "do" club instead of a "well, let's talk about it" club. Their efforts have been enjoyed throughout the school with their Expo crêpe sale and many bake sales during the year.

Viva le cercle francias!

Where could you have gone for homemade, Italian pastries or a spaghetti dinner? To the NNHS' Italian Club, of course! The eighty-six members were headed by a very hard-working group: President Stefano Falcone, Vice-President Richard Pellegrine, Secretary Christine Smith, Treasurer Olivia Contrada, Social Chairperson Donna Diianvictoria, and Advisor Miss Maria Valone.

The group did more than sell Italian food. They also went trick-or-treating and gave the candy to the Home for Italian Children. In the fall they sold stationary and had a huge Christmas party from the profits. The dedication and enthusiasm of the students made the group very successful.

This year marks the end of a three year plan to train Russian 1's so that they could rise to the ranks of Russian 3's. Their program has been vigilantly followed by club members who have learned to be loyal, brave and disciplined.

At the beginning of the year they fulfilled and overfulfilled their quota for the production of Blini. As a first event of the year, in the true spirit of socialist competition, members enthusiastically stuffed themselves with these scrumptious pancakes and jam.

In the fall, Octobrists — a group of staunch supporters of our club — mobilized early in the morning to begin an arduous journey to Maine. Eleven members in one van, with sleeping bags, guitars and filled food chests, crossed the border into Maine without incident. They were later joined by a member who was reputed to be a high-ranking official. On Halloween, the club sponsored the 4th annual trick-or-treat romp. The members on this undercover assignment disguised themselves as the NNHS Russian Choir. They sang several Russian songs for the benefit of the patrons before breaking ranks and charging up to the doorway, bags open, to collect candy.

During Expo Main Street, the Russian Stolovaya turned out to be a smash with the pros. A new streamlined system for selling Pirozhki, Borsht and black bread, was put into practice. Their shock-workers increased the production of Pirozhki 320% over that of last year.

Their group, tempered by three years of struggle at NNHS, is united through bonds of friendship, and dedication to comradery. As this year's Russian 3's depart, rest assured that like past alumni they will return year after year for events such as Russian dinners and the celebration of Easter.

This year's Spanish Club adopted a child in Columbia. To raise money for his support, the club ran a very successful Tacos Sale. In the fall they went canoeing, and in the winter they took a cross-country skiing trip. During April vacation the club sponsored a trip to Mexico.

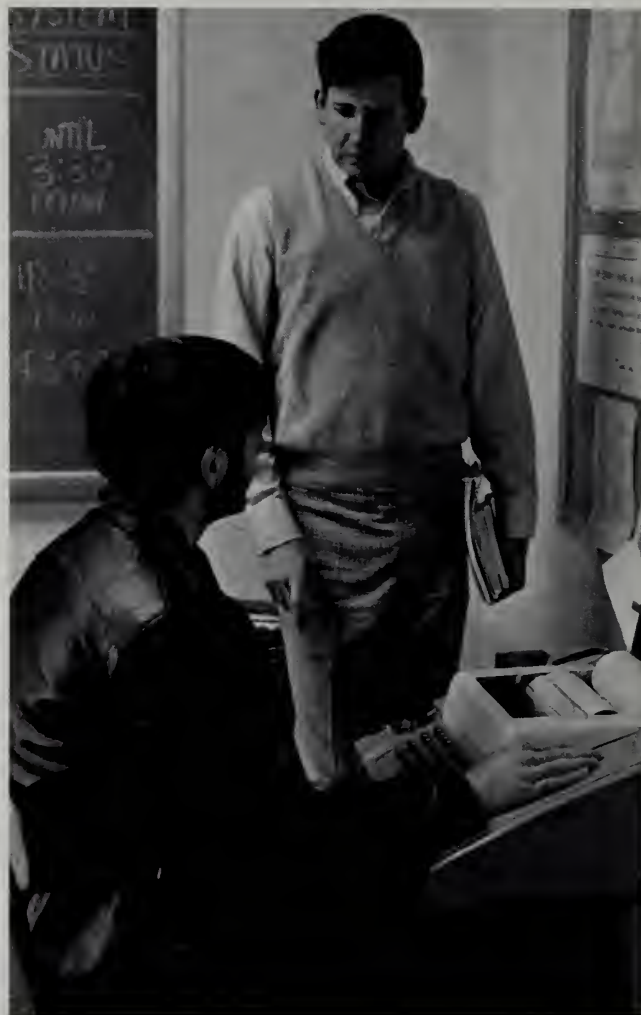

The 1975-76 German Club has been one of NNHS' best. Under the leadership of Advisor Richard Clark and Co-Presidents Tom Skinner and Brenda Staley, The German Club planned a variety of social and cultural events. This included the annual Windjammer Cruise, reception for foreign students, fondue dinner, soccer day, a ski trip, and an annual classical Music presentation.

Mod Squad

One of the more active special interest groups in the school, the Mod-Squad, consisted of four students, (Michael Segri, Peter Carmichael, Elihu Zeltserman, and Kurt Anderson). They aided both teachers and students in the use of the computers and wrote computer programs.

The Mod-Squad is a work-study program for which, each year, four students receive academic credit and pay. They trained for jobs at City Hall and in Businesses. The programs also runs in the summer and about fifteen high school students participate.

Psychology

The Psychology Club began in the spring of 1975. Led by Diane Cain and Jonathan Norris, meetings were held every other week when a variety of events were planned.

Highlights included: a meaningful Christmas Party for the mentally retarded, tutoring of children at Bigelow Junior High, and guest speakers on Careers in Psychology and Clinical Psychology. The club had a good second year, though they were often busy establishing themselves and making the club known throughout the school. It succeeded in gaining a reputation for being a full-fledged club at Newton North.

Debating

Resolved: The Debating Club is a melting pot.

Beginning the year with students disguised as stuttering statisticians, flailing windmills, mechanical mannequins and petrified palm trees all frantically searching through filecards for misplaced quotes and inappropriate data, the club has assimilated itself into a group of true debaters lead by the brilliant, and courageous Dr. Gottlieb.

Ping-Pong

There is no lack of enthusiasm when the NNHS Ping Pong club is concerned. Devoted members carrying their prized paddles with them throughout the school day are a common sight on Main Street. Ping Pong may not be a varsity sport, but that has never hindered the team spirit of the faithful sportpersons involved with the club.

Orange Broadcasting

The Amateur Radio Club was experimental this year. During the year, they found enough interested students to make the club permanent.

At Expo, the club exhibited an extensive demonstration of world wide communications, featuring the HAM radio. An application to register the NNHS Amateur Radio Club with the F.C.C. had been filed, and the club expects to have a permanent station on the air from the school.

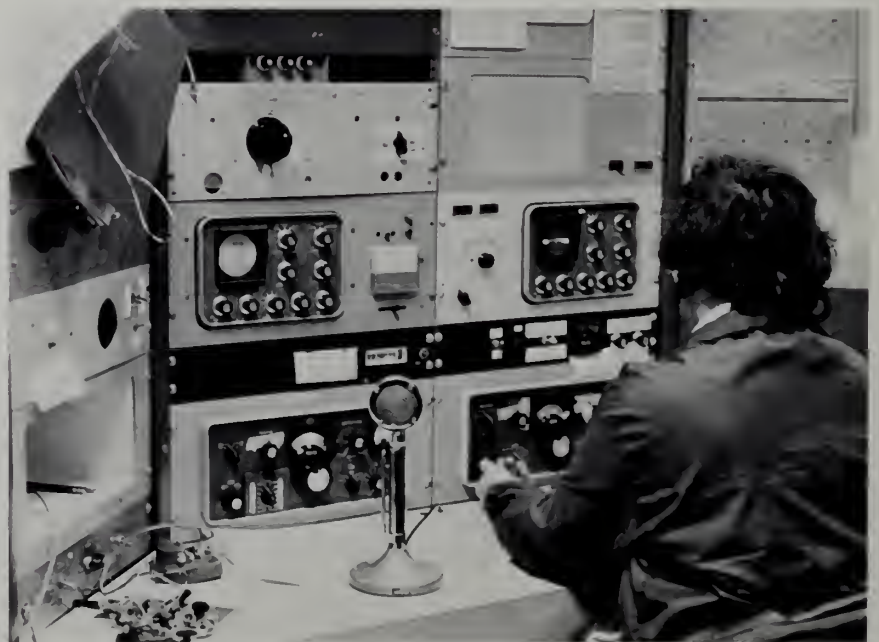

Officers were President and Trustee Jim Idelson, WA1QJU and Vice President Arthur Grant, WA1RVZ.

Ham Radio

In 1973, several Newton North High School seniors got together to form an in-school radio station. The goal was to broadcast during school hours, and to have its own FM frequency. The radio station became known as the Orange Broadcasting Company, OBC. Since then, the organization has become a major fixture within our school.

OBC has a bi-weekly program on radio station WNTN. The show goes on the air Sunday afternoons at 4:00, and acts as a public service to the community and school. It provides news and sports from the Newtonite, entertainment, and a chance for students to become acquainted with radio methods.

In school programming was a major goal of this year's OBC. Through much student participation, Orange Broadcasting has become a major aspect of NNHS.

Armenian Club

Armenians have been persecuted throughout history. They were victims of the first genocide of the twentieth century in 1915 by the Turks, and have been harassed all the way up to the present. As result, Armenians are unusually close to one another. We treat each other as brother and sister, even if we have never met. We formed the club to become even closer to each other, and to meet more Armenians.

Oriental Club

It was the year of the Dragon, and the Oriental Club didn't let NNHS forget it. Led by President Young Pak and advisor Ms. Adith Avery, the Club planned a party to celebrate the Chinese New Year.

Fun was the main idea behind the Oriental Club's. The members, including secretary Diana Fai and treasurer Martha Moi, planned many successful skating and bowling events. They also had a Christmas party. They didn't forget that they needed funds to subsidize their activities so they sponsored a bake sale.

The Oriental Club had some troubles getting started but they ended the year as a cohesive group.

Hellenic Club

The recently established Hellenic club had a membership of 17, led by president Tanya Iatrides. Their purpose was to learn about Greek culture, ancient and present, and to give a "taste" of it to the rest of the school. The major event of the year was a "Greek Night," in which the group sponsored Greek food, music of the culture, slides of Greece, and belly-dancing. Baklava sales served as the major fund-raisers.

House Councils

The Barry House Council had a successful year. Co-chairpersons Joanne Ekizian and Ellen Woodward provided leadership along with five faculty advisors. A 50's record hop was sponsored along with Bacon House, an Expo booth and bake sales were all sponsored along with a rock and roll review with the Beals House Council.

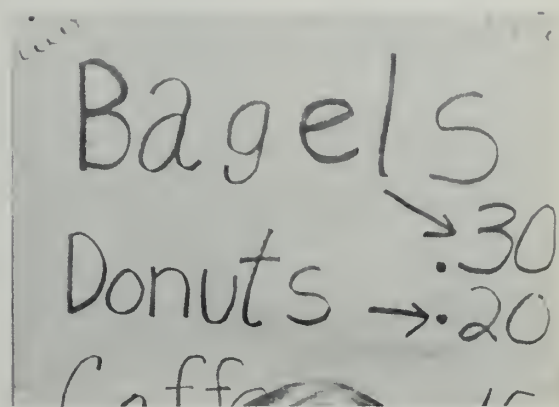

The Beals House Council continued to be one of the most active councils in the school. Weekly pizza, movies, Rocco and the Celestials, all were sponsored. Scholarships were given to needy Beals House Students and bake sales helped to raise money for Globe Santa.

The council continued to run smoothly without any officers. However, without responsible members like Larry

Cedrone, Sue Gordon, and Sue O'Brien the council could not have been so successful this year.

The Adams House Council, under the leadership of Bob Smith and Becky Eston and the advisorship of Stan Bornstein and Kit Ober, has reached new heights. In the past two years the council has become both popular and effective with such projects as their annual hunger drive, Adams Apple Sales and Pretzels Sales at Expo and the smash sellout hit of "IT" the student-faculty talent show which returned in the spring of '76.

From these efforts, the Adams House Council has been able to provide food and clothing for needy people and scholarships for Newton High graduates. What's more, the

people on the council have had fun.

The Palmer House Council was not quite as active as some of the others. However, their efforts to beautify the Palmer House Commons Room with murals was a nice change. The Council also sponsored Expo Main Street and raised money for the House.

The Council's revival was certainly good for the school and in the future this council will become even more involved at Newton North. The Riley House Council organized many activities this year. There were weekly donuts and coffee, the annual fall dance and the spring outing to Hopkington State park. Riley House Hickey and occasional ski trips also highlighted the year. There was also a scholarship fund to help students in the house.

Faculty advisor Don Crowley was supportive to energetic proposals of President Rich Siltan, Vice President Neal Krasnigor, treasurer Michelle Culbertson, and secretary Bruce Miller.

The Bacon House Council was very successful with President Kim Barres, V.P. Patti Woolf, treasurer Joan Danziger, and secretary Katie Powell. A 14 year old Indian child was adopted and money was sent to him by the group. Money also went to scholarships and house activities.

Special events included International Night, toys for tots last Christmas, a 50's dance, a baking contest and Celtics Day. The council enjoyed one of its most successful years.

Orchsis

If coordination of body and mind, as well as grace and beauty, make dance as much of a sport as it is an art, then we can assume the members of Orchesis to be artists in their own ranks.

Its major goal is to produce dancers: to introduce, experience and perfect their skills. By learning both technique and choreography — each girl choreographing a dance of her own — the girls can take a fundamental step, put it to music, and make it a work of art . . . practicing and working in the tradition of Newton High athletes and scholars.

Most important, the members of Orchesis contribute an out-standing element in this institution's cultural awareness as well as conducting demonstrations at other high schools and a major production each spring.

Orchesis means "dancing to perform."

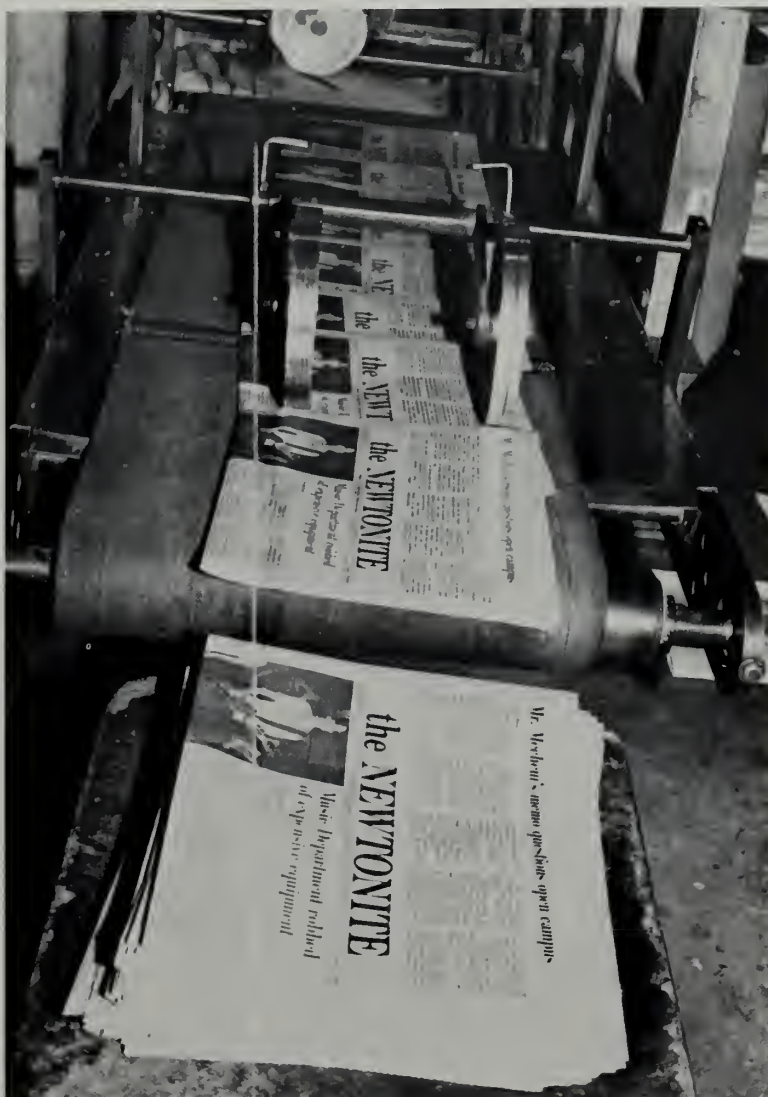

Newtonite

The butt of many a joke around N.N.H.S., *The Newtonite* has gone through many changes over the past year. The award winning paper had one of it's best years and the articles have greatly improved in variety and content. For the serious reader, *The Newtonite* has proved to be an interesting and informative school newspaper.

Through all the ribbing, *The Newtonite* has steadily become a more accurate and complete paper. It continued to suffer from an occasional embarrassing misprint and is continually struggling to stay out of debt. Hopefully.

Hopefully, through this year's learning experiences, the printing of the paper in school, and an increased circulation will lessen if not eliminate the problems. For next year, the goal will be all printing in school and increased issues.

The sports staff has done a stand-up job this year, while the feature staff has done a good job reviewing school events and an occasional out-of-school event of interest. The news analysis staff has done well covering many of the pressing issues on and around Newton North such as the Teachers' Contract, S.F.A. elections, the asbestos controversy (again) and many more. Special credit should be given to the hard work and persistence of Editor-in-chief Frank Stearns and Photography Editor Bob Stern.

Thoughtprints

Thoughtprints, Newton North's art and literary magazine, turned over a number of new leaves this year. The magazine is partially funded by the school, but this year *Thoughtprints* became progressively more self-sufficient and began saving substantial amounts of money. Some of the money-saving devices, such as typesetting and some printing in school, also served to make the magazine more independent. Another improvement was the use of advertisements rather than patrons.

The most significant improvement, however, was the approach towards art and literary submissions. The desire for a more general representation was a definite improvement over last year's elitist attitude. Next year, *Thoughtprints* hopes to become entirely self-sufficient and broaden its appeal even further.

This year's staff was headed by Ally Perry — Faculty Advisor; Carol Bendall and Bill Hochberg — Editors-in-Chief; Claire Whoriskey and Cheryl Jacobs — Literary Editors; Marcia Rosenbaum — Art Editor; and Patty Green — Publications Editor. The staff was one of the largest ever and including three students from Murray Road.

Transition

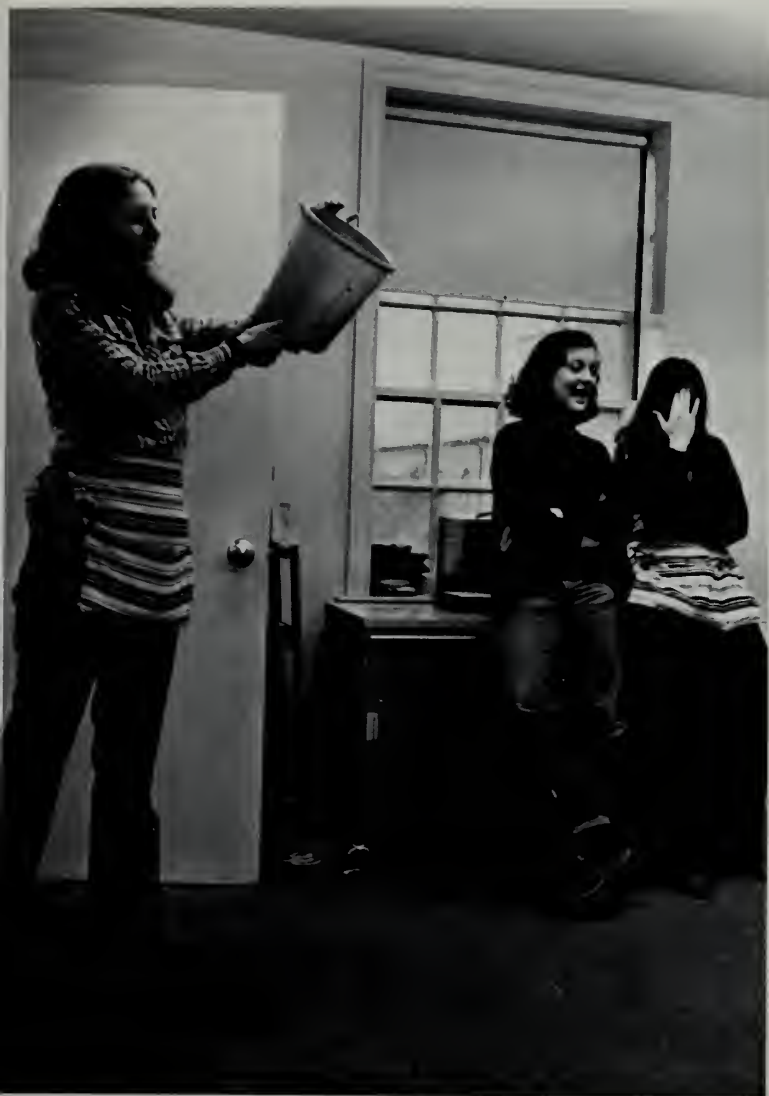

Transition, Newton North's senior alternative program, has had a rewarding year. In its second year the program attracted a more diverse group of students than the previous year. On the second weekend of school, the 32 students and their leaders, Mike Morris and Ron Boucher, embarked upon a weekend-long "survival experience" on Falmouth's Washburn Island not knowing quite what to expect.

The first semester in Transition was devoted to fund raising, academic preparation, and the actual planning for the second semester's out-of-school projects. Some of the major fund raising activities were: rummage sales; the Transition store, formerly operated by Bacon House; and most notably the back breaking woodcutting project of month-long duration.

The heart of the program consisted of leaving school to participate four separate projects each of individual significance. The first module, social service, included work in a mental institution, in child care centers, and with the elderly. Next in line, the urban module was an investigation of various aspects of the city. Some of the areas explored were government, transportation and some of Boston's ethnic and religious communities.

Transition students then chose one or two occupations of interest. People elected to study farming, apprentice with a weaver or fisherman, journalism and numberable other fields. Last, but certainly not least, was a two week wilderness experience, a canoeing and hiking journey in the wilds of Maine. Preparation in first aid and survival skills, in addition to intensive physical training were extremely helpful. However, it was the fortitude and perserverance of all those involved which carried them to their victory over the elements.

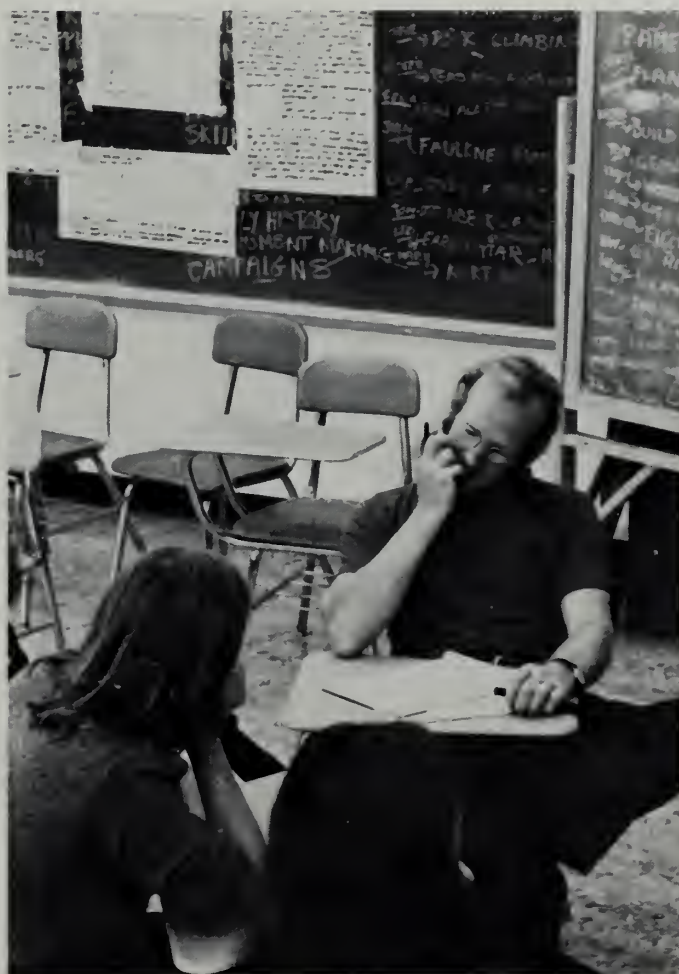

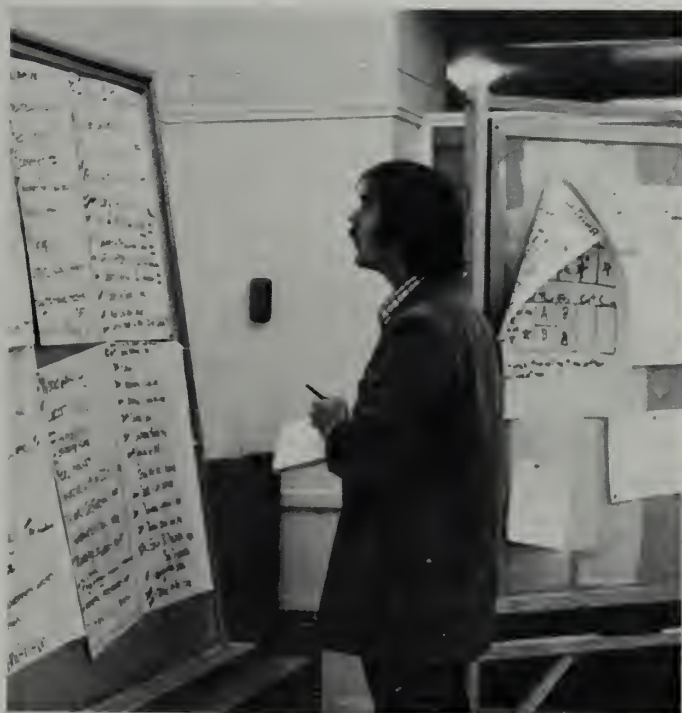

As was hinted at the beginning of the year, Transition was a "total learning experience". All of the groups' endeavors involved commitment, hard work and cooperation. Transition is an experience which its members will never forget.

Murray Road

One of the inovative options in Newton North, is the Murray Road Annex, a unique concept in individualized education. Now in its ninth year Murray Road is a nationally known alternative school, using a democratic system where important matters are decided in all-school meetings. In september the General Meetings build a schedule for the coming year. This year we had 11 weeks of classes, 6 weeks of mini-courses, and special allotted time for modules and internships. Other added attractions were BAGLES (Beginning Acedemic Group Learning Experiences), an all school trip to Geneve Point New Hampshire, an alumni party and dance featuring Third Rail, and various other group activities.

SCHOOL SPIRIT?

SP—IR—IT, yea Newton High!

Not an uncommon sound at a Newton football game. The handful of students who do bother to attend the high school sports events seem to exude much enthusiasm. However, they are but a handful and, when they exit the stadium, they leave their "yea Newton's" behind.

One begins to wonder whether the spirit is part of the fan or part of the event. Although the die-hard fans seem to form a high school community at games, during an average school day it is non-existent. Virtually no one attends open meetings, people vote only when a friend is running for office, and there are many athletic, social and cultural events which the majority of the student body is totally unaware of.

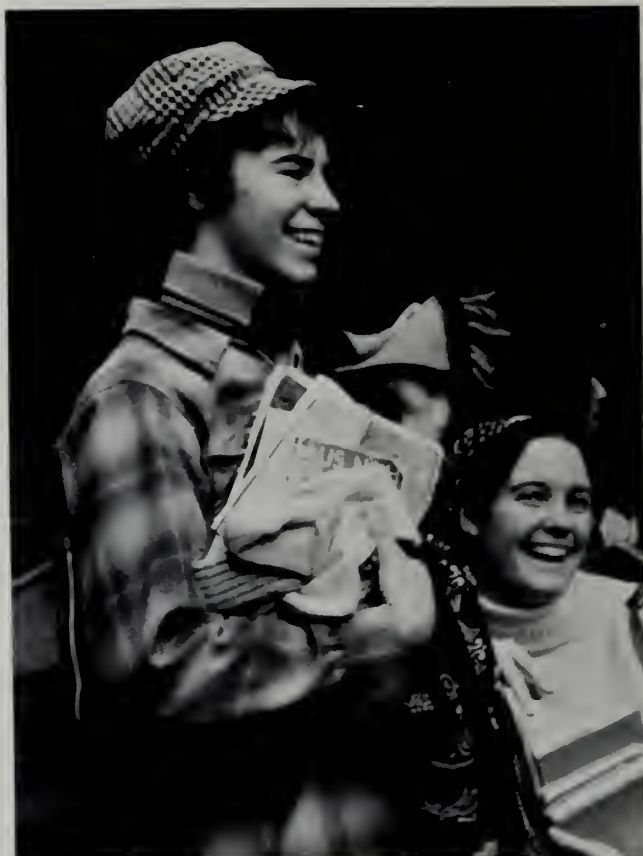

Students are unhappy with many aspects of the high school, and yet they do not speak up or even support those who do. Consider how different it would be if the overwhelming apathy was replaced by real enthusiasm, the kind that produces change. The result would be a better school and a closer community.

We Are Sorry

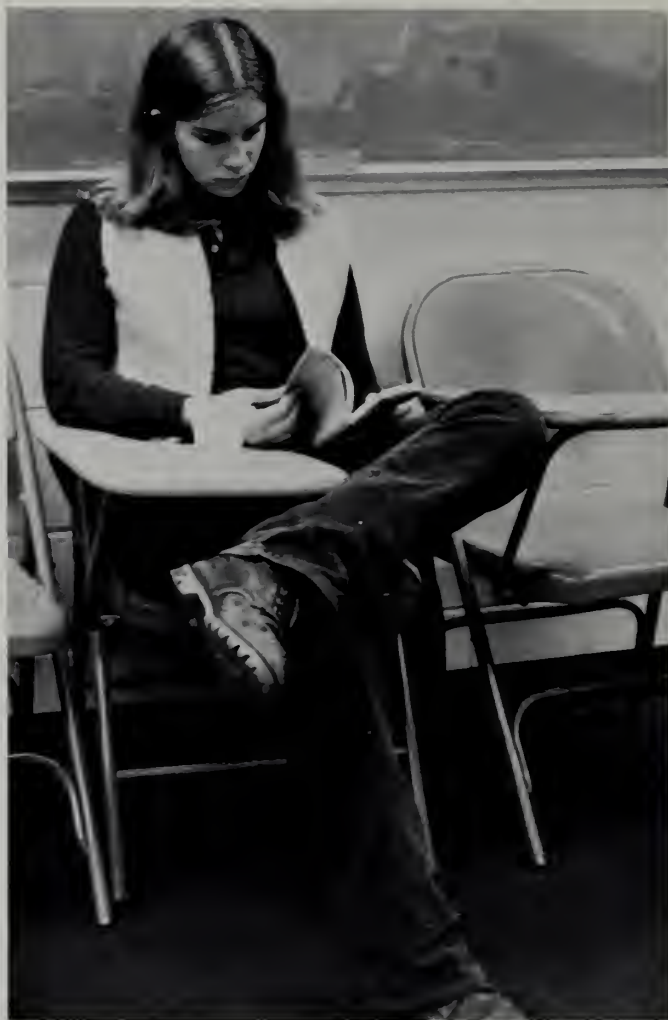

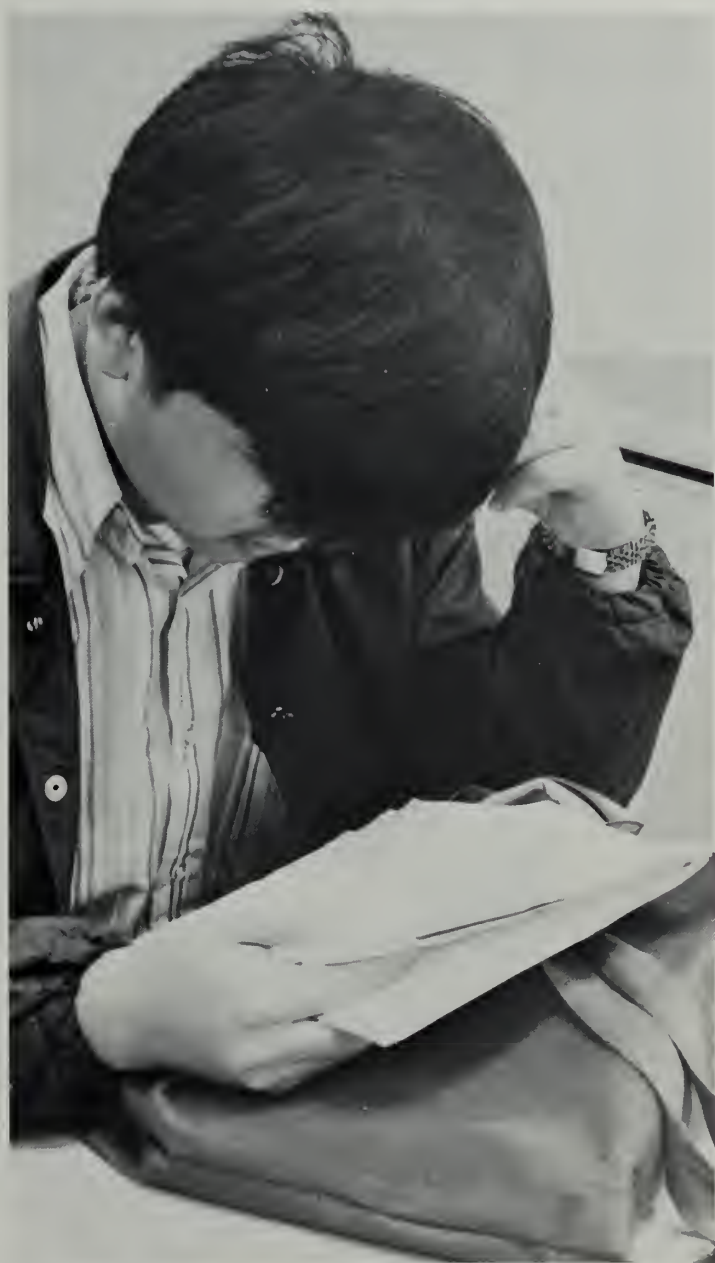

SPORTS

Soccer

Under a new head coach, Tom Williams, the Varsity Soccer team ended the season with a 14-3-1 record.

Although the team did not advance as far in the Eastern Massachusetts Tournament as they did last year, they could not have had a more rewarding season, for Coach Williams' new techniques and inspiration will surely have an effect long after the season has ended.

One of Coach Williams' new strategies was to use four fullbacks, which forces the opposing team's offense to move towards the outside.

Co-Captains, Mark Vassalotti, and Doug Jessup along with forward Ahmad Ali Hashi were the nucleus of this most dynamic team.

First Row, Left — Right: Howie Silverstein; Doug Moore; Joe DeLorenzo; Lenny DiPaolo; Gordie Moore; Mark Vassalotti, Co-Captain; Doug Jessup, Co-Captain; Jon Wish; Billy Zani; Jon Gaudet; George Santi; Phil Edwards; *Second Row, Left — Right:* Eric Anoulah, Ass't. Coach; Bernie Flanagan, Ass't. Coach; Steve Vona; John DeMambro; Jon Pendergast; Steve Sandler; Ahmed Hashi; Kenny Hagerstrom; Billy Shulman; David Teplowx; Rich Silton; Jim Meyers; Donato Mazzola; Bob Casper; Tom Williams, Head Coach. *Missing:* Billy Gerlach; David Berquist.

Soccer

Girls' Swimming

What makes a good Girl's Swim Team?

A great coach like Mr. Merritt who can put a good team together.

The lively entertainment at each practice of senior Beth Ryan.

The constant encouragement and back up of Ms. Kent-Uritam.

The super commitment of every swimmer boosted by Co-Captains Mary Mulvaney and Patty Higgins.

After each year of competition the Newton North High Girls Swim Team continues to prove the statement that experience and winning comes with time. This year was again a triumphant season for the team which finished their season with an impressive record of 8-2. The team ended the season in third place in the suburban league.

Some of the high points of the season were the close victory over Medford, who they had lost to during both previous seasons, and their sweeping victory over arch rival Newton South. The team also defeated North Quincy, Weymouth and Cambridge all by a wide margin. Newton's two losses of the season were to the strong teams Brockton and Brookline.

Some of the outstanding swimmers of the year were Beth Ryan (senior), who placed second in the suburban league meet, Co-Captain Mary Mulvaney, who placed second in the backstroke in the suburban league, and Co-Captain Patty Higgins. Sophomore Katey Green did an outstanding job in both the freestyle and butterfly. Diver Rose Castagnino had a good season, scoring high in each meet.

This years' Suburban league meet was hosted by Newton, who had an excellent performance. Both the medley relay and the 400 freestyle relay placed first. With the return of many of its' members the Newton team should continue to improve their performance.

TOURNAMENT			
Newton	0	Hingham	1

Final Record 10-1-3

The Girl's Field Hockey Team had an excellent season, finishing in first place in the Suburban League for the third straight year. The season resulted in an over-all record of 10-0-3, with nine of their wins being shut-outs.

The Newton North High team took an innovative step by including a male member. Shawn Collin was the first boy in the state to play on a girl's field hockey team. Although there was some opposition to his playing from other teams, his play was the major reason for Newton's 1-0 victory over Waltham in the Suburban League Tournament.

The team's success can be attributed to cooperative effort combined with the individual skill of all its members. Some of the outstanding players of this season were Co-Captain Susan Kreider, the leading scorer of the team, Co-Captain Karen Sudby, Peggy Tennant, and defenseman Judy Seltzer.

The team was defeated by Hingham in the first game of the State Tournament by a score of 1-0. Even without Shawn Collin, Newton played an excellent game and there is much hope for another successful season next year.

Coach Joseph Connolly knew that this was a year to rebuild for the future. What he didn't know was that he was in for a pleasant surprise.

With only one first string senior returning, this was a young and inexperienced team. The lone senior Rich Schilder along with Barry House junior, Duncan Scott provided strong leadership as co-captains. They proved to be the top performers on the team. Scott finished the season with seven out of nine first places and a very respectable third place in the Suburban League meet.

The team earned a fine winning record of six wins and three losses. That little extra "push ", Coach Connolly believes, is what gave them the edge in some meets that could have gone either way. Two track meets in particular that stand out in Coach Connolly's mind are the thrilling victory over Quincy by three points and the miraculous decision over Waltham by one point.

The Girl's Cross-Country Team had a difficult season. A record of three wins and five losses placed them fourth in the Suburban league standings. The team was also hampered by the absence of Co-Captains Cindi Hines and Kathy Kaufman, and star runner Ann Fitzgibbon, for part of the season.

Ann Antonellis, Laura Buxbaum and Becky Wilson contributed much spirit to the team effort. They showed up every afternoon ready to run eight miles, and gave the team a lift in morale.

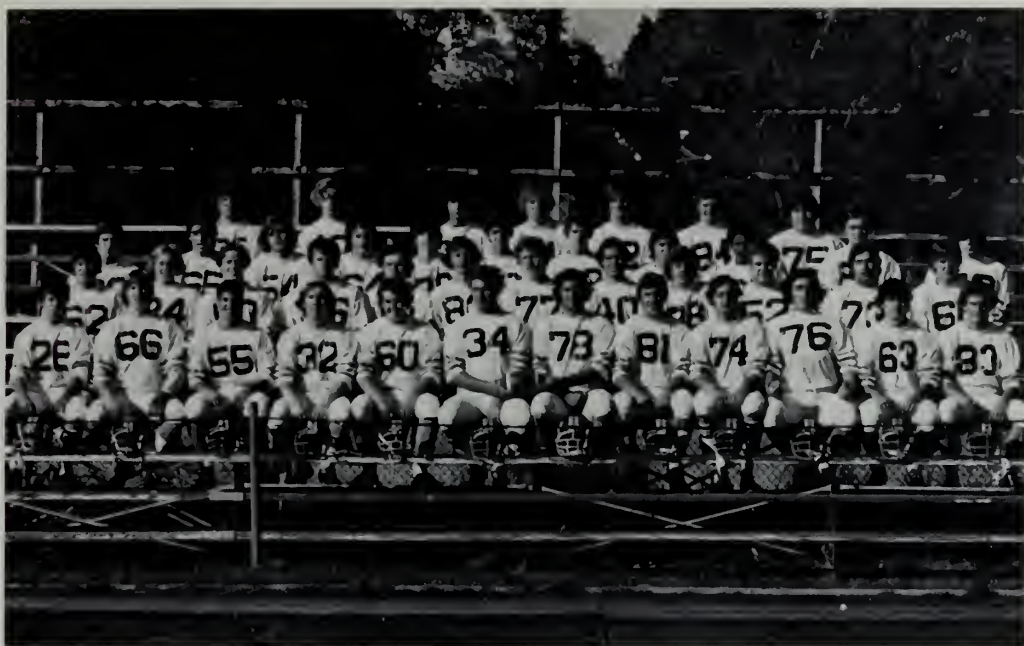

The outlook for next year looks promising. Eight girls will be returning for another season, and there are some enthusiastic sophomores.

Final Record 8-2

Through all the rain and injuries, this year's Newton North Football team had a surprisingly successful season. 1975 was to be a rebuilding year for the Tigers. Yet, from the first game at Framingham North, when Newton won 15-6, the team grew stronger and stronger.

After two successful victories over Medford and Framingham No., Newton faced Brockton, our toughest rival. Anyone who had doubted Newton's ability up to this point had to review their opinion. Newton triumphed 19-0, and many "critics" walked away with eyebrows raised.

Against Weymouth North, the Tigers lost one of their finest players, Ray Valente. Junior Jim Acheson did a fine job in his place.

A dismal, rainy Saturday saw Newton suffer a disappointing loss to North Quincy, 28-0. Some thought this to be Newton's end, but the Tigers proved them wrong. They won the next four games, including a 15-10 seat squirmer over Waltham, one of the season's finest games. Thanksgiving: What can we say? The stands were jammed with enthusiastic fans as we met our traditional rival, Brookline. With the Suburban League title at stake, Newton displayed all its talent as they held Brookline to a scoreless tie. Who can forget when the defensive line held their offense from scoring, not twelve inches from the goal line? In the tie-breaker, Newton scored first, but missed the extra point. Although they played magnificently, the defense could not prevent Brookline from scoring. They did convert the extra point, and Newton was defeated.

The team can only be proud of their season. Much of the team's success can be attributed to the fine coaching of Mr. Norman Walker. The seniors, led by Co-Captains Steve Cononico and Donny Morrell were the backbone of the team. Sophomore Steve Flemming and Junior Mario Luchetti will be assets in the future.

The Starting Line-Up

Volleyball is a sport which demands the combining of individual skill and team work to produce a strong team. This years' team was young with four starting sophomores, Marybeth Whitaker, Patty Conelly, Ruth MacDonald, and Susie Jacobson. Unlike their tough competitors in the Suburban League, Newton started the season with a fresh team whose players had no experience working together. The team possessed a great amount of skill, but had its problems in putting it altogether. The team finished the season with an overall record of four wins and ten losses and a league record of two wins and ten losses, placing last in the Suburban League. The Junior Varsity had a better season finishing with an overall record of eight and six.

The team's toughest matches were against the fine teams Brockton, Brookline and Cambridge Latin. Their two wins in the league were against North Quincy. The team ended the season on a good note, with a close victory over the faculty who were aided by Boston Red Sox pitcher Bill Lee.

Although the team had a losing season there is much hope for next year. With many players returning, headed by co-captain Becky Eston, experience will be the key to next year's squad. As Varsity coach Jay cradle said, "Next year, undoubtedly they will be tough".

Girls' Gymnastics

GIRL'S GYMNASTICS: *Front Row (L To R)* Diane Marchioni, Kinley Morrill, Lori Boskin, Johanna Wish *Middle Row (L To R)* Linda Blouin, Veronique Douchet, Mary Beth Whitaker, Paulette DuBois, Victoria Floyd (manager), Julie Boskin (manager) *Back Row (L To R)* Miss Doolittle (asst. coach), Bootsie Schon, Judy Goldenberg, Robin Jordan, Nichole Snow, Susan Green (captain), Kathy Goldwait (manager), Betsy Bassett, Kim Threadgold, Ronna Rosenblatt, Miss Pam Jones (coach).

The Girl's Gymnastics team was a very young and inexperienced team with 70% of its members being sophomores. The team ended the season with a losing record of 3-4 but the development and improvement of each individual and the team throughout the season was good.

The team had a glum start losing their first two meets to two strong Weymouth teams. The team then went on to win their next meet by a slim two point margin over an undefeated Waltham team. Brookline was too strong for the Newton gymnasts. But they were able to raise their record to 3-3 with wins over both Quincy teams. In their last meet of the season, Newton had it's best performance raising it's team score up 10 points, yet they were unable to beat the powerful Brockton team.

Next year the team should have an outstanding season with all of it's members except captain Susan Green returning. Returning outstanding members are Paulette DuBois, Kinley Morrill, Kim Threadgold, and Johanna Wish.

Gymnastics is a sport which involves grace, flexibility and strength. A gymnast, unlike players in other sports where the player has to learn the techniques of one game, must orient himself with six different events, vaulting, high bar, parallel bars, floor exercise, poma horse and map, all of which demand different skills.

This year the Newton High Gymnasts had a fine season finishing off with a 6-4 record. Their only setbacks in the Surburban league were to two strong Brockton and Brookline teams. The improvement throughout the year was tremendous, with both individual and team scores increasing greatly each meet. In the Suburban league meet Newton High had a good showing with individuals winning six medals. Junior John Femino places 3rd on high bar and 4th of floor and parallel bars. David Mitchell took 5th on floor and 3rd all around. Co-Captain Clarke Texeris placed 3rd on vaulting.

Although the team will be losing strong gymnasts Co-Captain Steve Hodgen and Clarke Texieria, and junior David Mitchell, next year's team looks promising with the four juniors, John Femino, David Randell, Peter Hurwitz, Tony Dagastino and sophomores Bobby Collins, Brian Douchette, Bobby Fulton and Franz Veligir.

Riflery

Riflery is a sport that has been obscured by the popularity of other sports at Newton High. The team practicing and competing in the basement at the Newton armory remains unseen by students. Yet the riflery team is here and did compete this season finishing with a 2-7 record. The team won both of its first and last meets, and suffered many meets in between. The team was lead this season by Co-Captains Steve Danforth and Vincent Cortina and Junior Mike Crocetta. Riflery is one of the two co-ed sports at Newton High with one female competitor, Nancy Kell.

TEAM RECORD: 2-7

Ski Team

In its second year as a varsity sport, the NNHS ski team earned a 6-6 record in a shortened season. The team had slalom meets against such teams as Franklin, Wellesley, Waltham, Newton South, Milton, Walpole, and Westwood.

Meets were held at Prospect Hill in Waltham. Unfortunately, after a promising start, the snows failed to come and rains severely damaged conditions so that many meets had to be rescheduled or cancelled.

Coaches were John Fernandes and his assistant, Debra Gerstein, and cross-country captain was Beth Ryan.

The downhill program was led by Bob Cooper and Shawn Whalen from the Waterville Valley racing program. Josh Ezrin from Cannon played an integral role, along with Lori Schlager and Wendy Collins. Waterville Valley gave the team the most racers with representation from Cooper, Whalen, Jon Norris and Wendy Collins.

Next year the team will be very strong with returning members Whalen, Beth Avery, Martine Culbertson and many promising sophomores.

TEAM RECORD: 5-4

Boys' Swimming

Record breaking! Those were the words used most when talking about this year's swim team. During each meet a new school record or two were set, as Coach Benn Merritt's squad compiled an impressive 10-2 record.

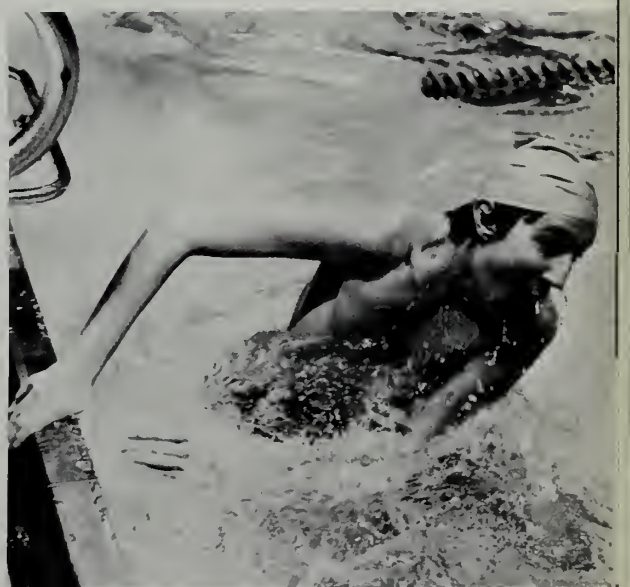

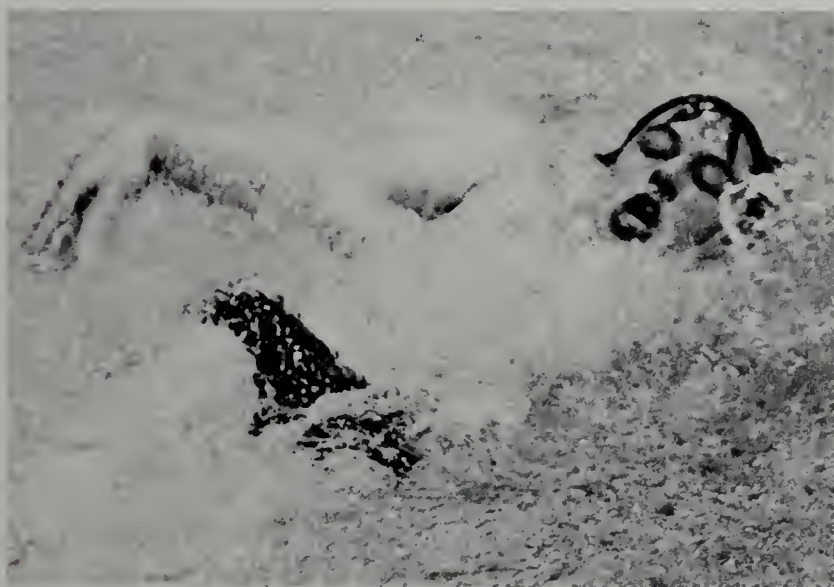

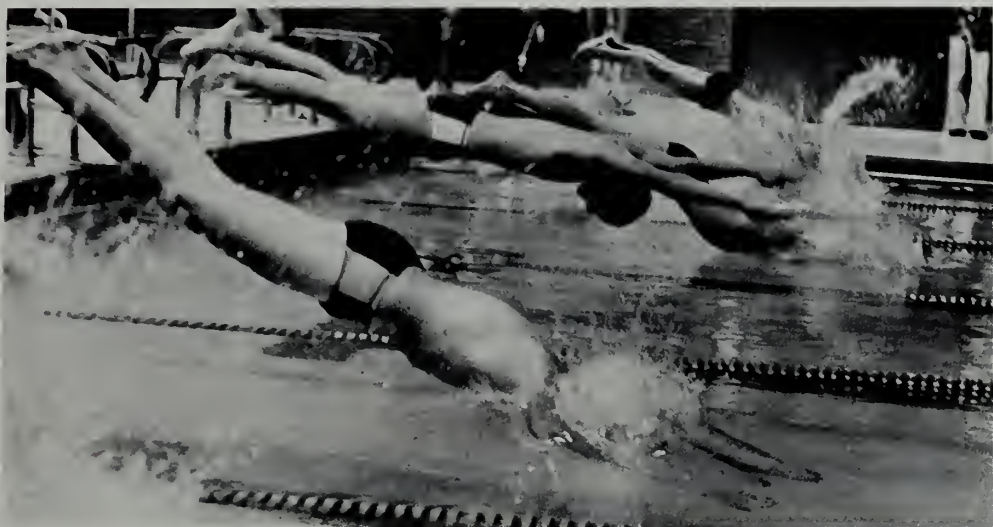

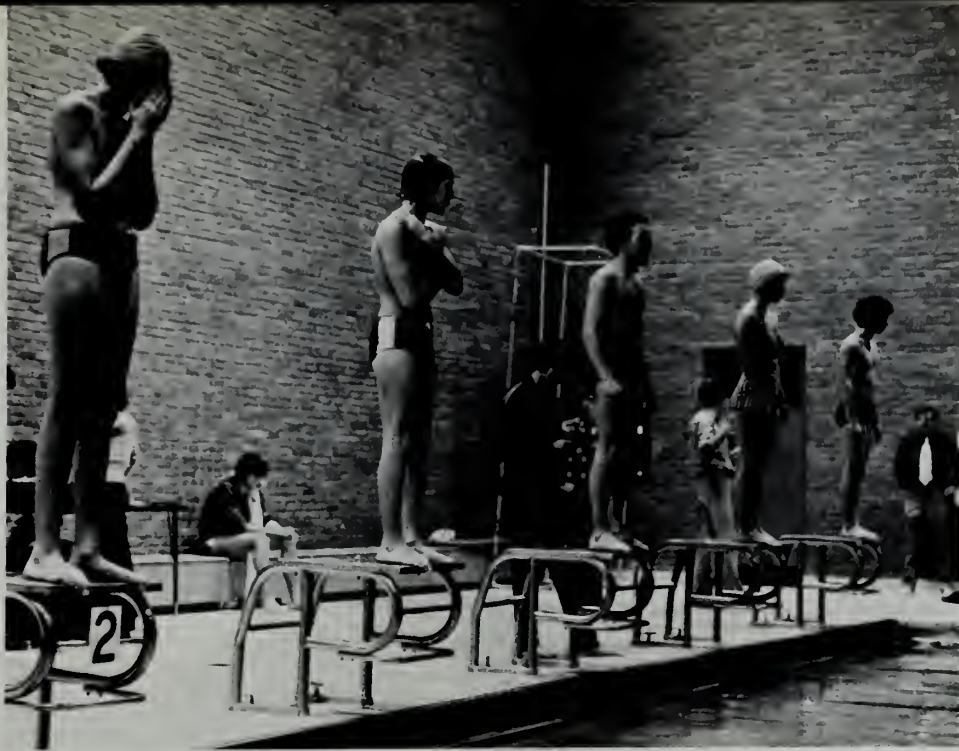

Only losing to powerhouse Brockton in the second meet of the year kept the Suburban League crown from the Tigers. In piling up more than 100 points five times, the team showed tremendous balance and finished in second place with a 6-1 league mark.

Leading the way for Coach Merritt were senior co-Capt. John Wish, who qualified for the states in the butterfly, and Steve Schaefer, who went to the states in the freestyle. Other strong performers who represented Newton North in the state meet were seniors John Mulvaney (backstroke), and Paul Higgins (freestyle); juniors Mark Jackson (freestyle), Doug Jasset (freestyle relay), and next year's captain Bill Zani (breaststroke).

Swimming has only been a varsity sport at Newton North for 3 years, but this year's team, led by many third year members, proved to be the best team yet; and returning members Zani and Jackson, along with many promising under classmen, give this team a bright future.

ICE HOCKEY 1975-76

If you didn't see a Newton North Hockey game this year, you missed one of the most exciting and successful Tiger teams ever.

Led by senior co-Captains Mike Tocci and Ray Valente, the sextet finished with a mark of 10-8-2, and recorded the most wins since the 1966-1967 season. It was the first year over the .500 mark since the 1971-1972 season.

Ironically, the season started out on a dismal note as the Tigers managed to win only one of their first seven games. After Coach Don Crowley and his assistant, John Powers, had a talk with the club, things finally started cooking. For the next 13 games, the team was one of the hottest in the suburban League; winning nine, losing three, and tying one. The highlight of the season had to be Tuesday Feb. 3, as the team crushed arch-rival Brockton 5-2 at B.C. and proved that they were for real.

Senior goalie Ken Hagerstrom, an all star, and versatile senior Doug Jessup, who finished the season as a forward, gave the squad strong support in the net. Defensive standouts were third year men Ray Valente, also an all star, and Rick Cavanaugh; seniors Bob Garabedian and Tim Dunn; and underclassmen Phil Reidy, and Gordie Moore.

Outstanding forwards were, third year men Mike Tocci and Gus Quaranto; seniors Paul McIsaac, "hustling" Steve Marchesault "most improved" Joe Doyle, and Dave Hudson; high-scoring junior, Joe Calabro; and the fine sophomore line of Lee Waxman, Glen Buckley and Tom Hagerstrom.

With Calabro and the four "super sophs" returning, the Tigers could be the team to beat in the Suburban League for years to come.

As Coach Crowley said, "We had to become a team" — and did they ever!

Track

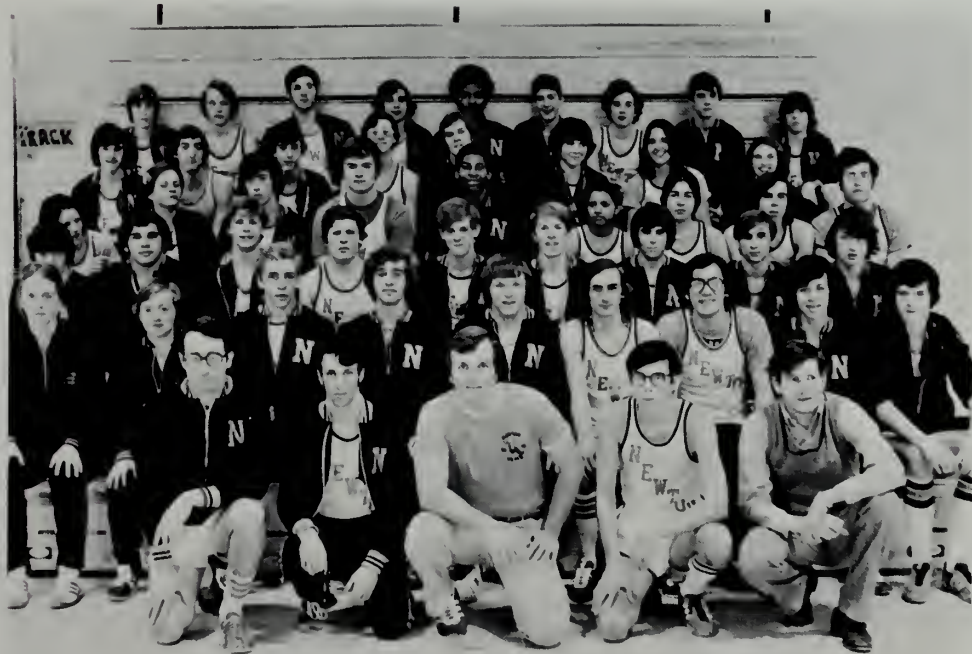

Though not lacking in enthusiasm or desire, this year's indoor track team had to settle for a disappointing 4-5 record. Many of these losses were only by a few points, however, and could easily have gone the other way.

The team was aptly led by dedicated coaches Yaitanes, Martin and Vashon, all three of whom did a tremendous job in filling the shoes of departed headcoach Lamoine Boyle. Strong leadership was also provided by co-captains Joe DeLorenzo and Duncan Scott.

The team consisted of fifty members, ten of whom were girls. Among the boys, a few of the outstanding athletes were Scott, DeLorenzo, Gard Wells, Richie Schilder and Howie Pierce. Outstanding girls were sophomore Jennifer Jones, who set a record in the girl's 50 yard dash, and the entire relay team of Cindi Hines, Susan Bloom, Jennifer Jones and Kim Barres.

Without seniors like Bernie Lebow, John Lafko, and those already mentioned, the team looks to its many promising juniors and sophomores to lead next year's team to a winning season.

TEAM RECORD: 9-11/

This year's basketball team had a disappointing record of 9-11. The team, although having much talent, never really got everything together. Having only two seniors, they were hurt by their inexperience, and more so by the lack of a floor leader. In many close games Newton North fared poorly because there was none to lead the team in the deciding moments.

The team however did have some good personnel: Captain John Williams had a fine year, leading the team in scoring. Senior Mark Vasalotte did a remarkable job playing against centers who were rarely his size: junior Tom Morog played a strong all around game, excelling especially on the boards and junior Mario Lucetti provided fine outside shooting, to go along with his quickness and penetration.

This team, which relies on quickness, at times played at a superior level, but inconsistency and inexperience unfortunately was their undoing.

TEAM RECORD: 3-13			

The Girl's Basketball team had an extremely tough schedule this year, playing superior teams such as state champions Brockton and state finalist Cambridge Latin. Although things proved very glum for the team, who ended the season with a 3-13 record, they did manage to finish the season off well, beating Waltham.

Outstanding members of this year's team were captains Susan Kreeder, Janet Leblanc and teammate Karen Sudby. The team will look forward to the return of members Peggy Tennant, Ruth McDonald and Maureen Fairbanks.

Wrestling

Wrestling at Newton North came into its own this past winter. The 20-3 record posted by the varsity was the best by the team in its six year history. Losses to Stoughton 33-18 and Suburban league rival Waltham 30-27 gave the matmen a 5-2 record early in the season and greatly reduced their chances for a league title. However, instead of settling for mediocrity the varsity wrestlers tore through the rest of their schedule winning 15 of 16 matches. The only setback in this time was a 12 pointer to Chelmsford, the 1976 State Championship Team.

Emotion packed victories over crosstown rival Newton South 45-12 and a tough Weston team 33-18 along with business-like conquests of Milford 31-21 and Bay City Champion Framingham North were some of the many highlights of the varsity season. Nonetheless, the win which meant the most and was sweetest of all occurred on February 7th at Brockton.

The Boxers, with several individual state championship contenders, were heavily favored to beat the Tiger grapplers for the third straight year and clinch the Suburban League title on this night. The Newton J.V.'s steam-rolled their opposition by 25 points to begin the evening. The varsity scoresheet: 114 lbs. Richie Kim — Pin. 121 lbs. Roy Hebard — Decision. 128 lbs. Doug Crosby — Pin 140 lbs. Jim Acheson — Pin 147 lbs. (co-captain) Steve Parker — 2-1 upset decision over Heavily favored opponent. 169 lbs. John Rosenfeld — Decision. Heavyweight Donnie Morrell — the clincher. Pin in 30 seconds time. Final result: Newton 33-23 and a share of the Suburban League championship with Waltham (loss avenged in regionals) and the defeated Boxers.

Throughout the dual meet season the key to the matmen's continued success was team depth and balance. Kevin Bengston and John Robbins were both varsity wrestlers at 167 pounds. Harry "the Hooker" Shainian was a strong backup for Richie Kim in the 114-pound class. Paul Siegenthaler, Mark Coakley, Russell Gasdia, and Bruce Trumbull were strong contenders in their prospective weights and responded very well in actual varsity competition.

Further evidence of the team's overall strength and balance is the J.V.'s 17-3 record and their first place finish in the regional tournament held at Newton North. Nine of the twelve varsity wrestlers placed and qualified for the State tournament. Donnie Morrell and Doug Crosby were first place finishers. Co-captains Steve Rosen and Steve Parker along with 187-pound Brian O'Halloran gained second place awards. Strong third place efforts were handed in by Austin Lampert at 157 and John Rosenfeld at 169. Juniors Roy Hebard and Jim Acheson rounded out the place winners with fourth place finishes in the grueling two day tournament.

At the State Tournament at Chelmsford the next week Doug Crosby and Steve Rosen turned in impressive fifth place performances and the team gained its highest ranking ever. Although the Tigers will graduate seven varsity wrestlers this year, the J.V.'s strong record this season makes next winter's out-look very bright indeed. Neil Johnson and Jim Acheson will captain the team next year and returning varsity members Dave Gasdia, Kevin Bengston, John Robbins, Richard Kim and Roy Hebard also look promising.

ARTS

A
Midsummer
Night's
Dream

On February 6 and 7, the Shakespearean players and stage crew transformed the stage into an Athenian Palace. The fairyland forest set the mood for the delightful Shakespeare comedy, *A Midsummer Night's Dream*. Under the dramatic direction of Priscilla Stevens and the artistic direction of Michael Eyth, this amusing and confusing play was presented.

The two fairies, who were constantly falling in and out of love, were Ike Meyers ("Puck") and Chris Buck ("Oberon"); Fairy Queen Lisa Maregni turned Richard Gott ("Nick Bottom") into a man with a donkey's head, and proceeded to fall in love with him. Eventually, everything turned out perfectly and the play was a success. As Puck said, everyone felt as if the night had been a dream.

Count Dracula, which had its debut on Halloween, can not be said to be one of Newton North High School's more successful productions.

Although the show lacked in many area, Jana Rosenblatt's costume design was excellent.

Dracula

Celebration

"Celebration," this year's first student production, was directed by seniors David Stephen and Jana Rosenblatt. The cast consisted of four main leads, twelve "Revelers," and two property characters. Potemkin, played by Howard Cohen, was a worldly, conniving man, who also served as the play's narrator. Angel, a young girl who sought fame, was played by Melissa Ress. Senior Larry Coen portrayed "Mr. Rich," an extremely wealthy, yet unhappy old man. Junior Jon Ruening was "Orphan," a young man in search of his symbolic garden.

The play centered around a conflict between "Mr. Rich" and "Orphan:" an old conservative pessimist, versus a hopeful innocent boy. The four leads were beautifully complimented by the "Revelers," a dancing and singing group which consisted of: Jeremy Kenner, Clarke Teixeira, Ben White, David Stephen, Ellen Woodward, Nola Van Alstein, Laura Shatz, Lynn Schneider, Jana Rosenblatt, Alana Zion, Laura Greenfield, and Susan Hewett. Claire Whorisky and Anne Butterworth portrayed the two property characters, and doubled as "Revelers."

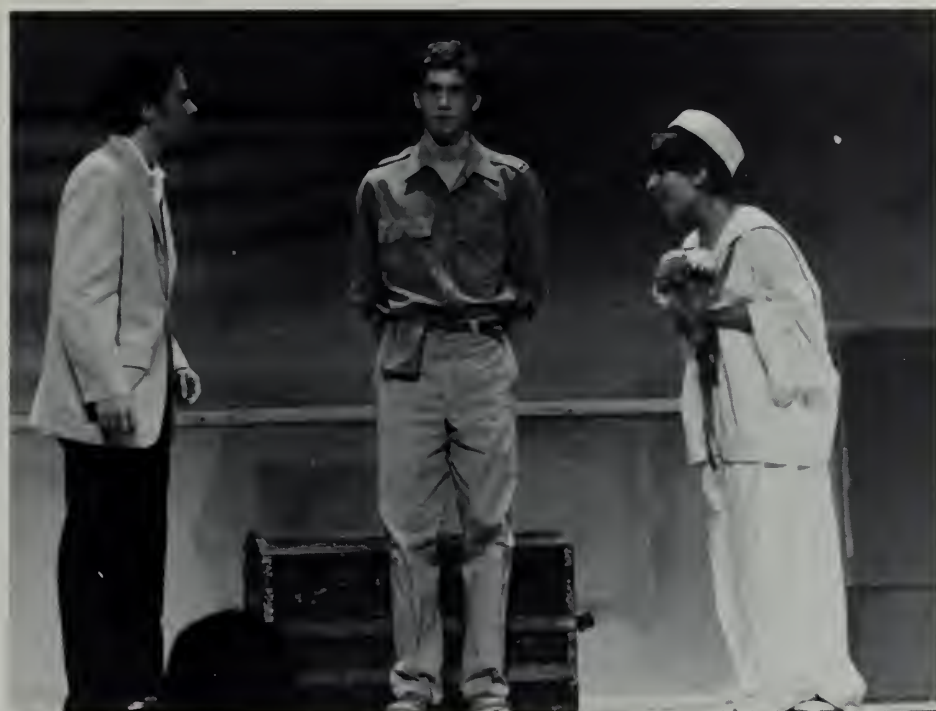

"Celebration" was the first show of its kind to be performed on the Newton North High stage. Never before has such a hilarious, risque show been produced. Its overwhelming success, is an important step for the possible success of future productions.

South Pacific

On the nights of December 11, 12, and 13, 1975, while the winter winds howled and the frost thickened on the schoolyard, the auditorium of Newton North High School was transformed into a tropical paradise. Those three nights were the results of two months of practicing, worrying, and downright exhaustion of the hundred and thirty talented students involved in the biggest school production of the year.

Portraying the memorable Rodgers and Hammerstein characters were Bob Stern as Emile DeBecque, Susan Hewett as Ensign Nellie Forbush, Clarke Teixeira as Lt. Joseph Cable, and Laura Hastings as Bloody Mary. Their talents reinforced the rest of the cast, whose singular efforts blended together into a colorful bouquet of actors, dancers, and singers.

The backbone of the show was a dedicated corp of hard-working enthusiasts, led by the producer junior Marci Shapiro. They were in charge of spreading the news in creative way, and used comical T-shirts for most of the advertising.

The energy and excitement generated on stage couldn't help but filter into the audience. Their rapt attention reflected the results of the ever-smiling cast.

South Pacific may be over, but its memory lingers on.

Stage Crew

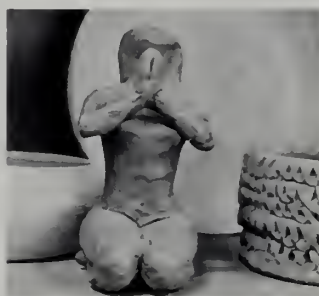

As the scrim slowly rises a panicked voice comes over the phones, "we're not ready back here!" So we wait a little longer. The audience becomes restless. "Stage, how're we doing?" All set on stage" is the reply and everyone relaxes as we wait for the next spotlight or rope or lighting cue. This is the technical side of the theatre: The stage crew. Our crew has provided us with some of the best comedy around. We've managed to break up an audience by floating down a palm tree or making a chair move mysteriously across the stage.

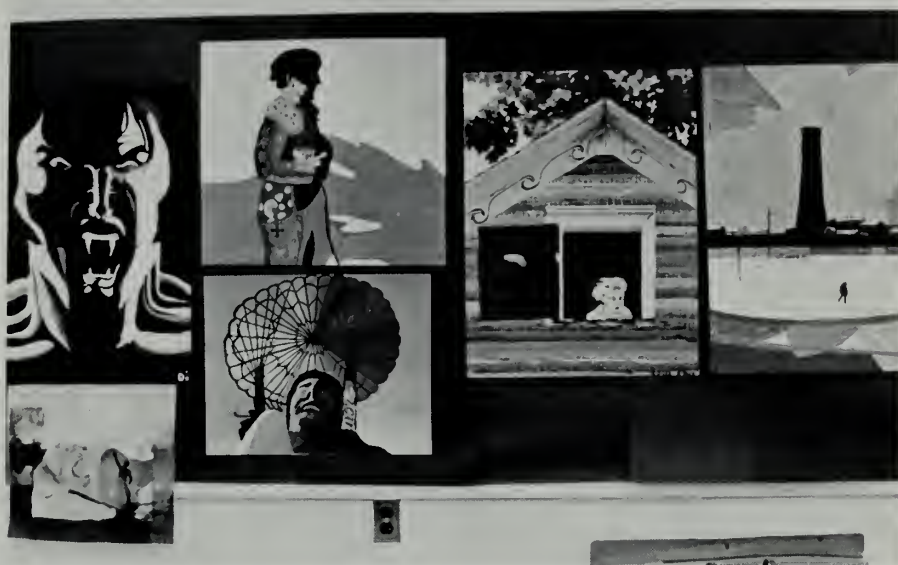

But the crew does not always shrug off mistakes. Many members of crew have placed the stage area in quarantine because of mistake made in the construction of the building. They have reported the asbestos levels in some parts of the stage as being dangerously high creating a health hazard.

Being a member of the Stage Crew offers students opportunities to learn about the technical aspects of the stage and more important, to learn about each other.

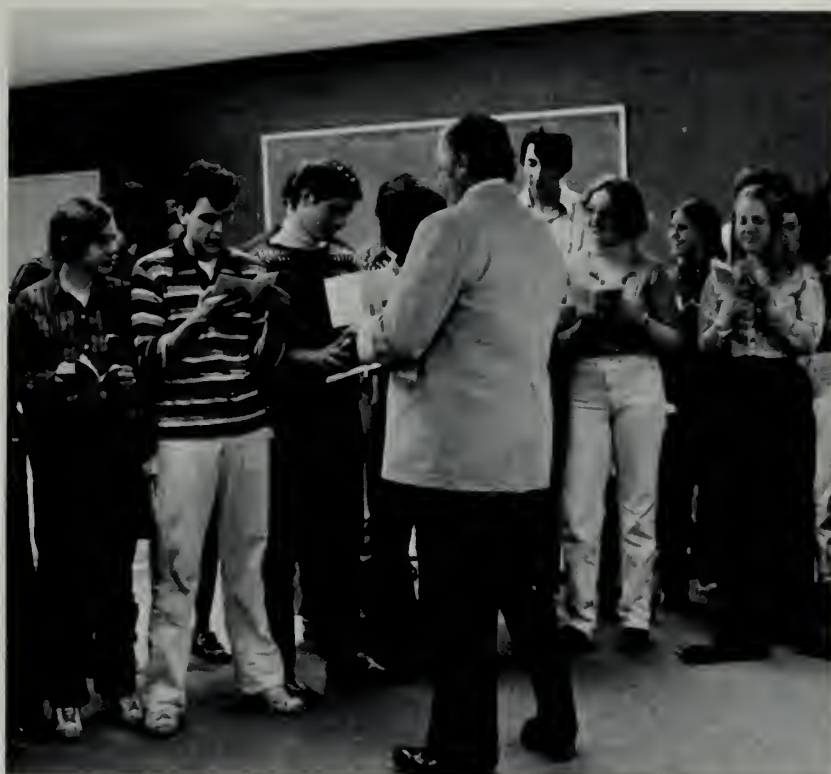

Objet D'art

Singers

Our music department is one of the best and well rounded music departments in the city of Newton.

Sisters and Brothers, a select singing group of 27 students, sings pop arrangements arranged by Saul Stern. Mr. Stern also directs the group. This group is special because it is the only choreographed singing group in the High School. Group members choreograph the songs and they teach it to the whole group. This is the group's second year.

The Family, directed by Raymond Smith, is a select group of seniors and juniors, with a few sophomores. The Family sings all kinds of music except pop. Their major piece this year was a double chorus work by Schutz called "Sing to the Lord." They performed at Harvestfest, Winterfest, and Belcanto.

Concert Choir, the main vocal group, is made up of 163 students. The Family and The Sisters and Brothers are comprised of Concert Choir members. Concert Choir members started the year with a big choral piece "Hymn to Jesus." The Choir sponsors two major concerts a year: Harvestfest and Winterfest. Concert Choir also sang at Newton Night at Pops on May 15.

This year, instead of one exchange trip, there were two. Concert Choir went to Philadelphia May 20-22 and Philadelphia came to Newton April 29 — May 1. The Family and Sisters and Brothers had an exchange trip of their own. They went to West Virginia and Pennsylvania January 25-29 and West Virginia came here in April. The two groups sponsored an extra concert "Belcanto" to raise money for the trip.

Instrumental Music

The Band, which was known as the Wind Ensemble this year, consisted of 52 wind and percussion instruments and was quite active. It was jointly managed with the orchestra by junior Chris DeLoffi.

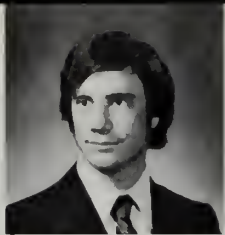

The Wind Ensemble gave a series of concerts in Newton such as the Harvest and Winter fests, and the Original Compositions concert in April. They also performed at the Massachusetts Music Educators' State Convention in Plymouth, but the highlight of their year was the exchange concert with Fairfax, Virginia. In February they toured Virginia and Washington D.C. with the Orchestra, playing for various public schools.

The Orchestra's 55 members were not only involved in this exchange concert, but they played for Newton High's production of "South Pacific" and the student production "A Funny Thing Happened on the Way to the Forum." They also accompanied the Concert Choir at the Harvestfest, and performed at graduation in June. Two of their most outstanding members were Liz Mann, who soloed on the flute in Virginia, and their concert master, violinist Michelle Morgan. They were conducted by Mr. Gary Good, who also conducted the Wind Ensemble.

The Jazz Ensemble consisted of 18 members and was conducted by student David Johnson. They performed at the Harvestfest where John Stevens was tuba soloist, and at the Winterfest with the Wind Ensemble. They were also involved in the Original Compositions Concert in April and other local concerts throughout the year.

GOOD LUCK
TO
CLASS OF
1976

— Senior Class Committee

The Marriott Campus...it's for parents.

When your parents come to visit, enroll them at the Marriott. They'll enjoy Pool 302, Sauna 201 and Exercise Room 509. Plus the food is great (in the Sirloin & Saddle and Fairfield Inn) and so is the campus social life (in the Windjammer Lounge). The

Marriott Campus overlooks the Charles River and it practically joins your campus for easy visiting hours. To enroll your parents for a weekend call (617) 969-1000.

This is living... this is **Marriott** HOTELS
